

Stephen J. Paris

Steve Paris is an experienced executive with both operational and financial skills obtained over 25 plus years through:

- Senior level financial executive positions (Controller, VP-Finance, Treasurer) in small, medium and a Fortune 500 company.
- Operations experience (CEO, interim COO) of small to medium size companies.
- 10 years successfully running a consulting business, bringing leadership and project management skills and fiscal discipline to numerous businesses.
- Sarbanes-Oxley audit experience worldwide in identifying key controls, preparing and implementing test plans

Steve has had hands-on experience in the areas of strategic planning, preparation and assistance with start-up businesses, documenting system policies and procedures, preparation of annual operating plans, manufacturing cost accounting, and initiating and implementing financial disciplines and internal controls. He possesses strong skills with successfully assisting businesses in achieving positions of profitability and growth.

Steve holds an MBA in finance and marketing from Adelphi University School of Business and a BBA in Accounting from St. John Fisher College. He has been a member in good standing of: the Institute of Management Accountants; Turnaround Management Association; and the American Management Association; Board of Trustees & Past Chairman - Our Lady of Mercy High School; and a Co-Founder of Vehicare Corp.
